PETITIONING THE COURT

To issue a warrant and incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on April 25, 2017.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance

3 **Standard Condition # 9**: After initially reporting to the probation office, the defendant will receive instruction from the court or the probation officer about how and when to report to the probation officer, and the defendant must report to the probation officer as instructed.

Special Condition # 22: The defendant shall abstain from the use of illegal controlled substances and shall submit to urinalysis and sweat patch testing as directed by the supervision officer, but no more than 6 tests per month, no order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Williams failed to report to this probation officer on April 28 and May 1, 2017, as instructed for a urinalysis (UA) test.

On April 24, 2017, this officer instructed Mr. Williams to report to the probation office on April 28, 2017, for a UA test. On April 28, 2017, Mr. Williams spoke with this officer on the phone. Mr. Williams stated he could not report to probation because he did not have

transportation. At the conclusion of the phone call, Mr. Williams was instructed to report to probation on May 1, 2017.

Mr. Williams called this officer at 3:10 p.m., on May 1, 2017, and stated he did not have transportation to the probation office. This officer once again directed Mr. Williams to report to the probation office by 5:00 p.m. to provide a UA. Mr. Williams failed to report as instructed.

Mr. Williams reported to this officer on May 2, 2017. Mr. Williams was unable to provide a UA during this office visit. According to Mr. Williams, due to his medical issues, providing a UA would be very painful. Mr. Williams was again directed to complete a substance abuse assessment at Merit Resource Services (Merit) on May 3, 2017, and to report to probation office after he completed his assessment and submitted a UA.

Standard Condition # 9: After initially reporting to the probation office, the defendant will receive instruction from the court or the probation officer about how and when to report to the probation officer, and the defendant must report to the probation officer as instructed.

Standard Condition # 18: The defendant must follow the instruction of the probation officer related to the conditions of supervision.

Supporting Evidence: Mr. Williams failed to report to probation and failed to complete a substance abuse assessment at Merit on May 3, 2017, as directed.

This officer spoke with staff at Merit in the afternoon of May 3, 2017. The staff verified Mr. Williams failed to show for an assessment on this date. Mr. Williams also failed to report to the probation office as directed.

The U.S. Probation Office respectfully recommends the Court issues a warrant and incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on April 25, 2017.

I declare under penalty of perjury that the foregoing is true and correct.
